

# NARA Visitor Center & Inn

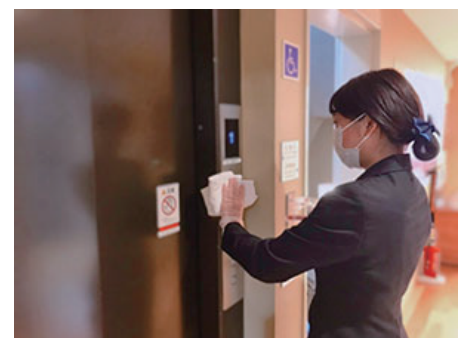

Our Efforts to Prevent the Spread of Coronavirus Disease

NARA Visitor Center & Inn is taking actions based on  
“Basic Policies for Novel Coronavirus Disease Control”

announced by Ministry of Health, Labour and Welfare [www.mhlw.go.jp](http://www.mhlw.go.jp)

## Thorough Cleaning & Disinfection

We thoroughly clean and disinfect all common areas where lots of contact occurs

**EVERY SINGLE HOUR** we disinfect all common areas including the front desk, hotel entrance, door knobs, the elevator (inside and out), guest rooms and shared toilets

We also provide protective gloves for your safety and peace of mind

If you would like some protective gloves, please ask our staff  
Gloves are available free of charge

### To prevent the spreading of infection:

All members of staff wear surgical masks  
Health check-up sheets are distributed at check-in

Please regularly use the disinfectants provided at the front desk  
and various places throughout the hotel

**- Please let our staff know immediately if you feel sick or unwell -**

Thank you very much for your understanding and cooperation
